

More Information

Terminate Account

Terminate a Free Authorised Representative Account.

1. The screen below shows the warning message you will see if you attempt to terminate your free authorised representative account. Instead, you may like to assign your account to another representative within your company by following the instructions in the highlighted box.

Please call in to the GeBIZ Service Centre (GSC) for more information if:

- You wish to terminate a free account.
- You wish to terminate your account, but you are the only remaining representative or the only representative in the company.

[Home](#) > [My Stuff](#) > [My Profile](#) > Terminate Account

Terminate Account

Warning

- You are currently holding the free authorised representative account for your company. Hence, you will not be able to terminate your account.
- Please assign your account to another representative within your company by using [My Stuff > Company Admin > Swap Representative](#).
