

More Information

Use the Message Inbox

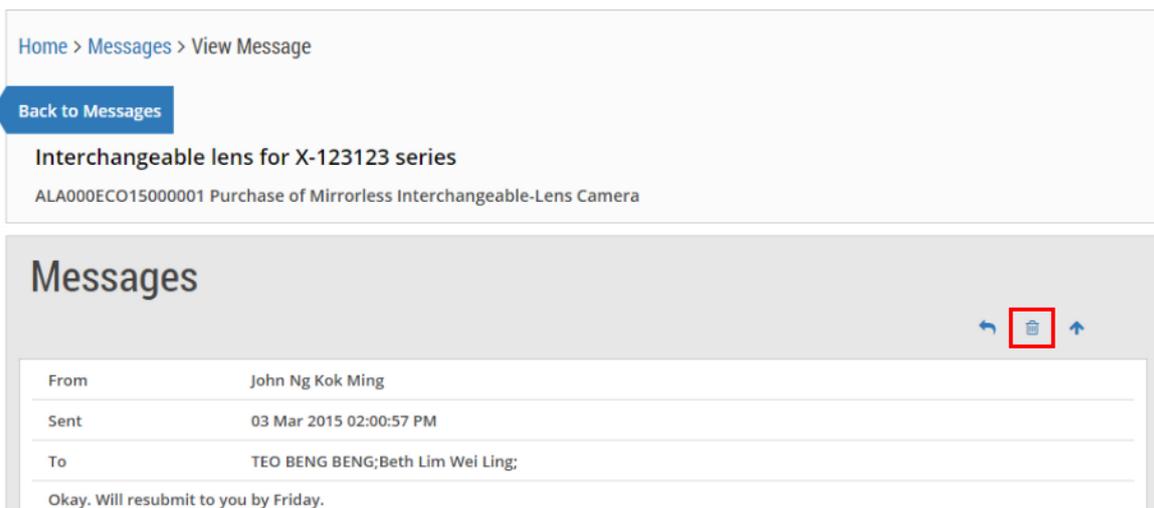

The following steps illustrate how to reply to a message using the Message Inbox.

1. From the “Messages” page, click on the message that you wish to delete.

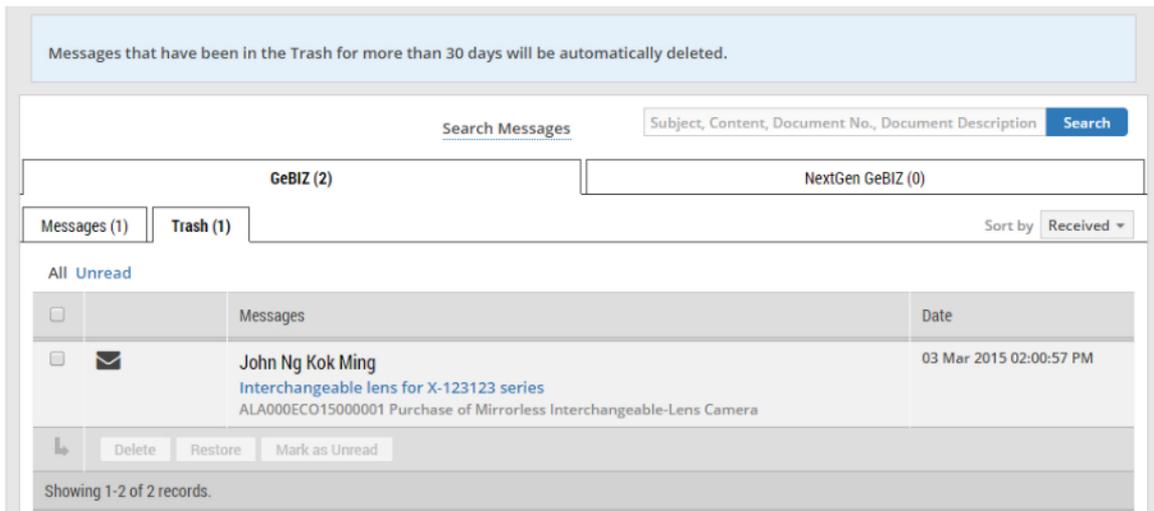

Note: You may also delete a message by checking the box beside the message and then clicking the “Trash” button.

2. Then click on the “Trash” button as shown.

- The message you just deleted will now be displayed under the “Trash” tab.

- To delete this message permanently, check the box beside the message and click “Delete”.

Note: Messages that have been in the “Trash” tab for more than 30 days will be deleted automatically.
